OFFSHORE

Before being permitted to attempt records all Offshore entries have to qualify under the class specifications current at the date of the attempt:

For World Records the boat shall have finished 1st, 2nd or 3rd in a World or Continental Championship Offshore Race. (U.I.M. Rule 601.04)

For National Records in UIM Classes (except OCR) and National Touring Classes a boat shall have qualified for a World record or finished 1st, 2nd or 3rd in a National Points Race.

For OCR National Records a boat and driver shall have finished three National Races in the same year, same class and as raced.

SPORTS CLASSES

For weight restricted classes, no qualifications.

For classes with no weight restrictions boat and driver shall have finished 1st, 2nd or 3rd in a National Points event in the same year, same class and as raced.

SPEED REQUIRED

The margin required to claim a new record is an increase of at least **0.3%**.
